Reason for Allowance

1. Claims 2-13 and 15-38 are allowed over prior art.
2. The following is an examiner's statement of reasons for allowance: As indicated in the previous office action claims 27-35, 13, 15-26 and 36 contain allowable subject matter. Applicant has canceled previous rejected claims 1 and 14, and amended previously objected claims 2, 13, 15 and 26 to read as independent claims.

Although the prior art teaches multiple ad-hoc networks internetworking among themselves wherein the architecture includes the ad-hoc networks sharing nodes they fail to teach or suggest with respect to claims 2, 13, 15, 26 and 36, a specific mode may skip a scheduled inter-network communication, and a mode that indicates that shared node should not be disconnected from the at least two networks that it is coupled to even though it has not participated in a scheduled inter-network communication session, with respect to claim 27, 32 and 33, exchanging meeting information between two nodes of the first network, whereby the participation by the first node in the first network includes the first node participates during a time period at, earlier than or later than the time slot.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
